Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Burlington High School-Burlington Technical Center Campus Stormwater Treatment project in fiscal year 2024. The entity to receive funding for this project is City of Burlington located at 149 Church Street, Burlington, VT 05401. The funding would be used for treatment of stormwater at the Burlington High School-Burlington Technical Center campus. The project is an appropriate use of taxpayer funds because it will ensure that stormwater generated from the site will be managed to minimize adverse impacts of runoff to surface waters.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
